7.3. Institutional Distinctiveness

Devaki Amma Memorial College of Pharmacy has always been distinct in providing healthcare services to the surroundings and society. DISHA (Drug Information Services and Health Care Awareness) is an initiative by Devaki Amma Memorial College of Pharmacy for the general public. DISHA was established on 18th October 2019. The DISHA functions on all Saturdays from 10.00 am to 04.00 pm. All the services provided are at free of cost. At its core, DISHA encompass a multifaceted approach aimed at disseminating accurate, unbiased, and comprehensible information regarding pharmaceuticals. Whether it's the mechanism of action of a medication, potential side effects, drug interactions, or proper dosage guidelines, The students of Devaki Amma Memorial College of Pharmacy especially the Pharm. D Interns who have covered the major health and drug related practices in their curriculum are actively involved with the Palliative Care in the Chelembra panchayat. The service of palliative care is provided on all Saturdays.
